

Daily Devotion For March 6, 2021

"In everything give thanks for this is God's will for you in Christ Jesus our Lord."

As I write today's daily devotion, I am filled with gratitude that on Thursday afternoon I had the opportunity to get my second Moderna vaccine shot. As the vaccine rollout began to increase, Eric Hodson sent me an email that had the Monterey County vaccine information. I went on line to check about the possibility of getting a vaccine. Scrolling through the list of people eligible to get a vaccine, I noted a category called "Other". I inquired about what "Other" meant and explained that I was a clergy person that had church members with Covid, people in Senior Living facilities, and members who were in the hospital that I could not visit.

The nurse shared with me that clergy were "other" essential workers and arranged for me to get a vaccine at the Mee Memorial Hospital in King City where there were more available doses. Even though King City is an hour's drive, I was happy that I would be able to get the vaccine.

Thought For Today: Give thanks that many of our church members have been able to get a vaccine. Today, what are you grateful for?

Today's Prayer Focus: Pray for those who have not gotten a vaccine and are anxiously awaiting one. Continue to pray the prayer fuel. Deo Volente.
