

Daily Devotion For January 14, 2021

We have not stopped praying for you. We continually ask God to fill you with the knowledge of his will." Colossians 1:9

Yesterday, I wrote about the power of corporate prayer in the early church. When we reflect upon the prayer life of Jesus we see that he often engaged in prayer. The Lord's passion for prayer is something he wants us to have as well. In Luke 18:1 he said we, "should always pray and not give up"

Prayer was a high priority for the apostle Paul, who wrote the letter to the Colossians. Some of the most beautiful prayers ever written are found in his letters. Paul's prayers are magnificent, not only because of their content but also because he was so diligent in prayer. He prayed "continually" for others and always thanked God for them.

**Thought For Today:** How important is prayer in your life? Sometimes we think prayer is a gift that some believers have more than others. Sometimes people who become known for having a passion for prayer are even called "prayer warriors." Remember, God wants prayer to be a top priority in yours and everyone's life.

**Today's Prayer Focus:** Thank God for the privilege of prayer. Thank God for answered prayer for Mike Kelly who had a successful pacemaker surgery on Tuesday. Continued prayers for Pat Wong with a new round of chemo therapy. Continue to pray this week's prayer fuel. Deo Volente.
