“Prayer without ceasing.” I Thessalonians 5:17

As we look around the world today, we see that many people are seeking help and hope. With the fall of Afghanistan, the global pandemic of Covid-19, racial injustice, people facing economic struggles, and the personal struggles that we all go through we need God.

Today, more than ever, prayer needs to be an essential element in our lives. We should turn to God 24/7 for direction and the choices He wishes us to make for our nation and the world.

There is tremendous power in prayer. Since our nation’s first days, God’s greatest movements are fashioned and sustained by prayer. From the signing of our earliest documents to our triumphs over darkness, to the spiritual awakening that sustained our faith and resolve over the centuries.

Throughout Scripture and our history as a nation, persistence, prevailing, intentional, and never-ending prayer has always brought the presence of God.

Prayer is a wonderful power placed by the Almighty God into the hands of His children. When we humbly seek His face in prayer, He is moved to act on our behalf and accomplish His desire for us. When we seek God in prayer for our leaders, we impact the very direction our nation will take.

Thought For Today: These are unprecedented days. What a great opportunity to pray for the world, for our nation, for our leaders in government, for our leaders in communities and churches! Take time today to seek God and ask him to sovereignly intervene for our nation and world.

Today’s Prayer Focus: Prayerfully seek God today and believe that your prayers can and will make a difference. Thank God for the tremendous power there is in prayer. Continue to pray this week’s prayer fuel. Deo Volente.
