

Daily Devotion For April 14, 2021

¹³⁷ You are righteous, LORD, and your laws are right. ¹³⁸ The statutes you have laid down are righteous; they are fully trustworthy." Psalm 119:137-138

I am grateful that Sherry was able to get her first dose of the Moderna vaccine on Sunday. She was very happy and relieved that she was able to get the vaccine.

Yesterday, the news headlines were about the Johnson and Johnson vaccine being placed on "pause" due to the fact that out of the 6 million people who had received the vaccine, 6 people had suffered severe reactions and one had died.

Sherry and I are praying that the vaccines that people are taking around the world would be reliable and save lives.

When I think about faith, there is a connection between God and the Bible. God is just as reliable as God's Word. Psalm 119 describes the relationship between the Bible and God. God is righteous and just. Therefore, God's Word is right, trustworthy, and reliable. (Psalm 119:137-138).

What angers the psalmist is the fact that people forget God's Word and therefore won't trust Him (Psalm 119:139). Why does this bother him so much? It is because someone who claims to know God should love God's word (Psalm 119:140). When we choose to forget God's Word, it becomes much easier to disobey God.

God and His Word are connected. If I say I love God, then I should love God's Word. The reverse is also true. If I love God's Word, I should just as easily love God. The opposite sadly is also true. If I don't love God's Word, I won't love God. If I don't love God, I won't care about His Word.

Thought For Today: What about you? How reliable do you see God and His Word? Do you think that God can be trusted as certainly as His Word? Do you think that God's Word can be trusted just as much as God? Will you seek Him when times are hard? Will you love His Word because it works in your life?

Today's Prayer Focus: Thank God that His Word is trustworthy and reliable. Continue to pray this week's prayer fuel. Deo Volente.
