

## Daily Devotion For June 21, 2021

And Jesus went about all the cities and the villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing all manner of disease and all manner of sickness. --Matt. 9:35

Do you know anyone who is sick and in need of God's healing touch? When I look at our church prayer fuel there are many people who face severe health challenges and in need of God's healing touch. At this time, Johnny Montoya, Kiku Kuwatani, Dr. Cary Gota, Joan Ouye and others come to mind.

For the past few months, my daughter Sherry who lives with constant nerve pain has been looking for a new physician. When she contacted a doctor that a family member suggested, she was told that she would have to wait several months. She is looking forward to her appointment in July.

**Thought For Today:** Matthew 9:35 tells us that Jesus went throughout Galilee healing every kind of sickness and disease. Jesus is our great Physician. If you need a physician who knows your suffering, understands how you are feeling, and has the cure, make an appointment to spend time with God today.

**Today's Prayer Focus:** Praise God that Jesus is our Great Physician. Take time to pray for those who are in need of God's healing touch and that they would know the healing touch of Jesus physically, emotionally, and spiritually. Review this week's updated prayer fuel. Deo Volente.
