

Daily Devotion For January 8, 2021

“You crown the **year** with your bounty, and your carts overflow with abundance.” Psalm 65:11

We are already 8 days into the new **year**. As we read through the bible, we see that it uses the word **year** over 700 times. Beginning in Genesis chapter 1:14, we see that God established the sun and moon to “be for signs and seasons for days and **years**.” God created the world as a sphere which rotates on its axis every 24 hours and revolves around the sun every 365 days. A new **year** can signal a fresh start, a new beginning and even a new you.

Psalm 65, is a psalm of praise for God’s goodness and bounty that he faithfully has provided.

Thought For Today: As we begin this new year, remember that a new you begins with praising God for His new beginnings, for his goodness and bounty.

Today’s Prayer Focus: Continue to pray for our nation as we live in a nation divided by our politics. Pray for peace and unity to prevail. Continue to pray though this week’s prayer fuel. Deo Volente.
