“For we **walk** by faith, not by sight.” 2 Corinthians 5:7

Yesterday, our hiking fellowship had a wonderful time enjoying the beauty of our coastline. It was an awesome sight to see the waves crashing on the rocks spraying mist upon the trail. It was great to get some exercise and fresh air as we enjoyed the fellowship with one another and **walked** about 2 ½ miles.

As we read through scripture we learn that God has a plan for us to **walk** with him by faith. Faith has to do with things that are not seen or perceived by our physical senses. Hebrews 11:1 says that “Faith is the assurance of things hoped for, the evidence of things not seen.”

Colossians 2:6 states, “As you have received Christ, therefore **walk** in Him.” In order to become a Christian, we must first receive Jesus Christ by faith and then continue to live our lives by **walking** in faith.

It takes faith to **walk** with Jesus. **Walking** by faith is the way that God chooses to bring about growth. It’s where we learn to trust him and where we find him faithful. Faith is an adventure when we **step** out to be used by God.

Thought For Today: How is your **walk** today? Are you **walking** by faith or by sight? Are you able to say today, **I will walk** with God by faith?

Today’s Prayer Focus: Pray that the Lord will help you today to **walk** by faith. Deo Volente.
