

Daily Devotion For June 26, 2020

“Bear one another’s burden’s and so fulfill the law of Christ.” Galatians 6:2

This morning I was calling WordSearch, a Christian organization to help me with some new software that I had just purchased. The response was, Press one for English, Press two for technical support, Press three for directions and operating hours, Press four for a callback. Press five to return to the main menu. Have you ever had an experience like that? There should be another option: Press six if your tired and give up!

Such is life in the age of modern technology. There are times when we may feel frustrated at the lack of someone “live” who is **available** to help us. Yet, God desires us to be **available** to others in their time of need. Galatians 6:2 says, “**Bear one another’s burden’s and so fulfill the law of Christ.**” God’s desire is that we make ourselves **available** to help those in need. Years ago, I used to direct a Christian Camp up in the Sierra’s called the Christian Berets. It was a camp that ministered to the Physically and Mentally Challenged. As you drove into the camp, there was a big sign that said, “**God does not ask for our abilities or our inabilities but for our availability**”. We see many people today in need due to Covid-19 and the question is, “are we **available** to help? How can we be the hands and feet of our Lord Jesus to those in need?”

**Thought For Today:** Do you know anyone who is in need? Are you available to help? What can you do today to help someone in need?

**Today’s Prayer Focus:** Please pray for the Yamanishi/Omoto family as Hisao’s sister May Omoto passed away this afternoon. Also for John Mitchell and family as John is back in the hospital. Continue to add this week’s prayer fuel to your daily prayers. Deo Volente.
