

Daily Devotion For March 14, 2021

“This is the meaning of the parable: The seed is the Word of God.” Luke 8:11

It's springtime and time for spring planting. This week I planted some zucchini, roma tomatoes and cabbage in my garden. I'm still contemplating what else to grow. Before I sowed the seeds, I began by pulling weeds and purchasing bags of soil to prepare the soil to receive the seeds. In Luke 8:11, Jesus told a parable in which he compared seed with the Word of God.

Every day as you read these devotions, you need to prepare your heart and mind as well to receive the seed of God's Word. You can do this by asking God to prepare the soil of your heart to receive the seeds of God's truth that he desires to plant in our hearts.

Thought For Today: The Lord is seeking to grow a beautiful Garden of His character in your heart. As you spend time with God each day, don't forget to prepare the soil of your heart to receive the seed of God's Word. Ask God to pull the weeds of sin out of your life. Ask God to grow healthy shoots and mature plants that would grow to an abundant harvest that would bring God glory.

Today's Prayer Focus: Pray that God would grow an abundant harvest of his life and character in the garden of your heart and the hearts of the El Estero Church family. Continue to pray the prayer fuel. Deo Volente.
