“Teach us to number our days that we may get a heart of wisdom.” Psalm 90:12

In my message yesterday I spoke on being good stewards of our time. I said that Stewardship encompasses our attitude towards God in which we recognize that everything we have comes from God and belongs to God. And that includes the way we use our time. As a reminder, I used the word **TIME** to remind us to **T**reasure our time, **I**nvest our time, **M**anage our time, and **E**njoy our time.

In Psalm 90, Moses spoke about how God longs to teach us how to use our days wisely. He longs to give us a heart of wisdom that we might center our lives around meeting with him. We have God himself dwelling within us, ready to guide us into a lifestyle of purposeful living.
