

Mark & Brenda Hall

Guadalajara, Mexico

Fall 2022

Brenda and I recently celebrated our 21st wedding anniversary. This letter is for an unsung hero. All these years, she has been my best friend. As a mom, she helped our kids adapt to life in remote Guatemala and now in this modern Mexican city. Due to Brenda's commitment to family and her wisdom about life in Latin America, our kids are thriving. All these years, she has been my partner in ministry. Brenda makes friends naturally and easily. Many who hear me teaching the gospel of grace came to listen in large part because Brenda first won their trust.

She works hard to fill any need she discovers. On Sunday mornings, while I am focusing on the gospel message, Brenda directs many other things that must be right as well. She is chef, stage manager, sound engineer, video technician, and guide for the volunteers. In between Sundays, she has an unofficial role as legal assistant to church members who are new immigrants to Mexico. On Wednesday evenings, Brenda teaches Survival Spanish. (I'm her assistant.) Many of her students are not-yet-Christians, so the friendship we make with them are seeds the Holy Spirit can make grow.

I never stop thanking God for bringing Brenda into my life and for all the ways He has blessed our life together. We truly enjoy serving Him in Guadalajara.

Thank you for your prayers that God will continue to bless our work.

En el amor de Cristo,

Mark
