“On His robe and on His thigh He has a name written, King of kings and Lord of lords.” Revelation 19:16

Over the past week, we have seen, heard, and read about King Charles II assuming the role as Sovereign over the United Kingdom. Although there are many kings and rulers throughout the world, the bible says that only one, Jesus Christ, is the King of kings and Lord of lords.

As King of kings and Lord of lords, the bible declares that God’s authority is absolute. God’s authority is beyond question and transcends all other loyalties.

When we see God as the King of Kings, we are agreeing that He has absolute dominion. The title ought to stir up a sense of respect, worship, and even wonder within us.

Giving God rule over our lives is not meant to be a fearful thing. In fact, letting God take His rightful place in our hearts is the beginning of a wonderful new life. For this King longs to be in close relationship with each of His people.

Thought For Today: How often do you reflect on Jesus as King of kings and Lord of Lords? Have you given God absolute and rule over your life?

Today’s Prayer Focus: Give thanks to God that Nancy Ichiuji had successful eye surgery yesterday. Bob McIntyre continues to make good progress although he most likely be at CHOMP for another week or so. Continued prayers for Pat Wong, Alan Durant and Tom Gunter.
