**Dear Friends of Nancy's Project at El Estero--thank you from Nancy's Project for your long time commitment to improving the lives of our farm worker community. I just came across a note about your donation in 2014, and I know you had been working with Nancy long before that. We are so grateful for your steadfast support of our farm worker families. Nancy always said she hoped she would work herself out of a job, but the need is greater than ever. During one week in June we served 2121 people. That is largely thanks to you and our other donors. God bless you for continuing to care for those who make sure we have fruit and vegetables in our markets!**
