“If My people...pray and seek My face....I will hear from heaven.” 2
Chronicles 7:14

Last night President Joe Biden gave his State of the Union Address. That is a tough message in light of today’s political climate. Turn on the news these days and you continue to hear about the conflicts that our nation’s leaders have. The constant tensions between Democrats and Republicans keep Washington from accomplishing things on behalf of the nation.

The other day I came across a story that talked about a great crisis in American History at the Constitutional Convention in Philadelphia to ratify the new constitution. The delegates got angry with one another and they couldn’t resolve their conflicts or agree on anything. (Sound Familiar?). Suddenly Benjamin Franklin spoke up and said, “Wait a minute, gentlemen, this country was conceived in faith in God. Many of us here believe in prayer. Let us get upon our knees and pray to Almighty God and see whether God shall give to us the answer to our dilemma.”

Those men got down on their knees and out of that prayer meeting came the Constitution of the United States of America. Wouldn’t it be amazing to see our nation’s leaders who claim to have faith in God get down on their knees and pray?

Thought For Today: What dilemma in our nation or in your life is compelling you to get down on your knees and seek God’s answer?

Today’s Prayer Focus: Pray that our nation’s leaders will get down on their knees and seek God in prayer for guiding our nation. Praise God that Kiku had a successful hernia repair surgery. Deo Volente.
