³ Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead". I Peter 1:3

Praise God that yesterday at 12:40 PM, Karissa delivered a 7 lb. 6 oz. healthy baby girl, Madison "Maddy" Tressa. I know that the family would like to thank all of you for your prayers for Karissa and for the healthy delivery of this precious gift of God.

In I Peter 1:3, Peter praised God for his great mercy in giving us "new birth." The term "new birth" refers to spiritual birth in which we are welcomed into God's family. Jesus used this same term when he explained salvation to Nicodemus when he said, "you must be born again."

These are words of encouragement to us as believers. We not only have a life we share today but also a life we shall share for all eternity. All this because Jesus conquered sin, abolished death, and offers eternal life to all who receive him as Lord and Savior.

Thought For Today: Have you been born again? If so, how are you experiencing God's living hope and joy today?

Today's Prayer Focus: Praise God that he offers us new life in Christ. Thank God that you have been born again to a living hope. Deo Volente.
