

Daily Devotion For February 1, 2022

After Moses came back, He summoned the elders of the people, and put before them all these words that the LORD had commanded him. Then all the people responded together, "We will do all that the LORD has spoken." So Moses brought the people's words back to the LORD. Exodus 19:7-8

Sunday was a difficult day for SF 49er fans. Leading the Los Angeles Rams in the NFC Championship game in the fourth quarter, all they needed to do was hang onto the ball and not make any mistakes and they would have been off to their 2nd Super Bowl in 3 years. However, they weren't able to accomplish the goal that they had set out to achieve at the beginning of the season.

Now, head coach Kyle Shanahan must start preparing for next year. Most of the so-called "experts" say Jimmy Garapalo will be playing somewhere else next year.

As we study the life of Moses on Thursday evening, we see that he had quite a team. He had his brother Aaron and sister Miriam. Mostly Moses took his job seriously and sought to listen and follow God's orders as he led his "team" through the wilderness. Though his team grumbled and complained many times, Moses convinced them to stick to the "game plan." In Exodus 19:8, the Israelites said that they would do "all the LORD had spoken."

Moses did the right thing. He received God's game plan and put the plan in motion. There were disappointments and defeats along the way. Yet amid those struggles, Moses stuck to God's game plan and trusted God.

Thought For Today: In the midst of your disappointments and defeats, are you sticking to the game plan? Are you continuing to listen and follow God's game plan as best you can? As with Israel, if we stick to God's game plan, we will reach our ultimate goal one day. Are you following God's game plan for your life?

Today's Prayer Focus: Ask God to reveal His game plan for your life. If you already know it, stick with it. Ask God where you need to adjust your game plan to fit His. Deo Volente.
