18 And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always **keep on praying for all the Lord's people.**" Ephesians 6:18

Dear Pastor Ted and our El Estero Family

Thank you for all the kind and encouraging words last night at Bible study. It was overwhelming and no words to respond except that God has a plan for each of us. He is in control and all the glory goes to him! We are grateful that what has sustained us throughout Patrick's leukemia journey is our faith in our precious Lord Jesus. It is also due to the unfailing love and faithfulness of God, the love, support and encouragement from our El Estero Family and through applying all we have heard and learned from Pastor Ted's teaching from the word of God! God is giving us the help and the strength and he is always there upholding us with his victorious right hand as we keep claiming Isaiah 41:10 and as we learned last night a companion verse in Joshua 1:9!

We just want to continue give all the glory to God as we go through this difficult journey of Patrick's last days on earth. It's so hard to watch Patrick, a once strong and handsome man I loved and married 47 years ago declining each day! He is having difficulty breathing and as all his bodily functions are failing , but we continue to cling on to all of God's promises especially eternity in heaven with him ! Please continue to pray for strength and peace as we go on this journey! You are all special to us and we love you all!

Let us continue to pray for the Wong family and for all the Lord's people.
