

Daily Devotion For January 8, 2023

“You crown the **year** with your bounty, and your carts overflow with abundance.” Psalm 65:11

We are already 8 days into the new **year**. As we read through the bible, we see that it uses the word **year** over 700 times. Beginning in Genesis chapter 1:14, we see that God established the sun and moon to “be for signs and seasons for days and **years**.” God created the world as a sphere which rotates on its axis every 24 hours and revolves around the sun every 365 days. A new **year** can signal a fresh start, a new beginning and even a new you.

Psalm 65, is a psalm of praise for God’s goodness and bounty that he faithfully has provided.

**Thought For Today:** As we begin this 2<sup>nd</sup> week of a new year, remember that a new you begins with praising God for His new beginnings. I hope that you will join us in church or on zoom to give praise God and give thanks for his goodness and bounty.

**Today’s Prayer Focus:** Let us pray for our nation as we live in a nation divided by our politics. Pray for peace and unity to prevail. Deo Volente.
