

Daily Devotion For May 16, 2022

"All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man and woman of God may be adequate, equipped for every good work." 2 Timothy 3:16

Saturday I had the opportunity to play in the JEMS NorCal Missions golf tournament. It was a great way to support JEMS missionaries as they serve the Lord around the world. If you play golf, you know that one piece of equipment that golfers are using more and more of these days is a GPS system (Global Positioning System). Some golfers use a range finder and others have the GPS on their watches or on their phones. The purpose of a golfer's GPS system is to help the golfer know the exact yardage from where their golf ball is to the green.

Nowadays, many people have a GPS system installed in their vehicle to help give guidance and direction to a particular destination. But, let me use these initials as God's Positioning System.

Where are you in your life right now? Are you in need of guidance and direction? That is what God's Word can do for you. God's Word can be your spiritual GPS to get you to the place God wants you to go.

Thought For Today: Is your heart set on God? Are you following His direction for your life? Are you allowing His Word, the Bible, to teach you where you need to be; show you where you may have made a wrong turn; redirect you back to Him; keep you on the right path? Don't forget to plug God's Positioning System into your life each day.

Today's Prayer Focus: Thank God for His Word and pray that His Word will guide and direct your life today. Deo Volente.
