

Daily Devotion For March 13, 2022

“As long as it is day, we must do the work of him who sent me. Night is coming when no one can work.” John 9:4

Well, I hope that you remembered to set your clock ahead one hour last night. From today, we are springing forward.

In 1916, Germany and the United Kingdom put Daylight Saving Time (DST) into practice during World War I. The U. S. instituted DST in 1918 in order to conserve fuel needed to produce electricity. Most areas reverted to standard time after the war. In 1942, the United States reinstated DST for the duration of World War II.

In the spiritual realm, this biannual changing of the clocks can serve as a reminder that we have a limited time on this earth. Jesus was keenly aware that he had only three years to carry out his earthly ministry. He wanted his followers to have that same awareness and dedication to their God-given assignments. Jesus made the most of his “daylight” and accomplished his mission before he died.

Thought For Today: We live in the day of salvation. We need to be about the business of bringing others into his Kingdom. But time is short. God has fixed the date, since the foundation of the world, when this present age will end. We don’t know how brief our life will be. While we’re changing our clocks, we can be **finding God in Daylight Savings Time** if we renew our commitment to make the most of our days by serving Him.

Today’s Prayer Focus: Praise God that He is infinite, eternal, and timeless. He causes the sun to rise and set each day. How great and awesome is our God. Deo Volente.
