“I can do all things through Christ who gives me strength.” Philippians 4:13

Yesterday I was listening to the broadcast of Danny Yamashiro’s radio program The Good Life Hawaii. Danny’s guest was Cathy Masamitsu whom I met while I was the consulting pastor at Union Church. I connected the two of them recently and Cathy’s testimony is remarkable: Danny writes on his website:

How did God take a television producer and reporter for ABC-TV at the height of her career, at age 35, through a recurrence of breast cancer, involving a mastectomy and reconstructive surgeries? What happened when she challenged ABC’s producers to document her story in order to educate the public? How did she speak about the Lord when interviewed? This is the story of Cathy Masamitsu....

If you know anyone who is battling or who has battled breast cancer, or any cancer, this is a must listen to interview. You can hear the interview at:

**Thought For Today:** If you know of anyone who is battling or has battled cancer, please forward this interview to them, I’m sure that they will be blessed.

**Today’s Prayer Focus:** Remember to pray for those you know who are battling sickness, illness, disease or cancer. Deo Volente.
